A one and a half year course of study for those adults who never became a Bar or Bat Mitzvah (or would like to do it again!). A wonderful opportunity to learn Hebrew, study our liturgy, and form a community of life-long learners. The program culminates in the Anshei Mitzvah service in May 2011 where participants will have the opportunity to lead services and read from the Torah. Anshei Mitzvah is an educational program designed for those Jewish members of Temple Beth El who want to broaden their Judaic knowledge and experience.
